Engineer Bans Political Acts

James Says Activity Is Banned Under New Charter

Notices were posted today by County Engineer James S. James that the road department of San Mateo county is "strictly a road building organization" and "not interested in politics."

James warned employes of the department that no political activity for or against any candidate for office in San Mateo county would be tolerated.

Advising the department employes that county charter provisions against political activity "will be strictly enforced," James cited the following charter section in support of his stand:

"Employes serving with compensation under this charter are prohibited from engaging in any political activity for, or contribution or soliciting funds or support for or in behalf of, any elective officer provided herein, or for any candidate for such elective office."

Engineer James was elected to office four years ago. His office becomes appointive after January 1 when he completes his fourth year.

Kiwanis Speaker

Harry L. Todd, former San Francisco postmaster and Republican candidate for the state board of equalization for this district, spoke on "Abraham Lincoln" at the luncheon meeting of the Redwood City Kiwanis Club at the Hotel Sequoia on Wednesday.

Mother, Ill, Not Told Of Tragedy to Son

DALY CITY, June 26.—Albert Williams, 8-year-old son of Mrs. Dora Williams, infirm widow, met instant death beneath the wheels of a truck this morning at 10:30 o'clock while playing at Hillside drive and Mission road.

Mrs. Williams, ill in bed at her home at 578 San Diego avenue, has not been told of her son's tragic death.

The youth's body was badly mangled by the wheels of the truck. Identification was made by two older brothers after the body had meen removed to the Lasswell mortuary.

Frank Fahey of San Francisco, driver of the truck, was not held.

Supervisor Brown Asks New Term On Board

Basing her appeal for a new term on 14 years of service, Mrs. Rosalie M. Brown, San Mateo supervisor, today opened her campaign for re-election by issuing the following statement:

"In seeking re-election, I am ever mindful of the great consideration you have shown me in the past.

"I succeeded my late husband in 1920; four times since then you have elected me supervisor.

"During the 14 years I have served the people, I have gained knowledge of the laws governing counties. I have become familiar with every section of the county, its needs, and the aspirations of the people. I feel that I am now better qualified than ever to fill the position as supervisor.

"I have served during the inauguration of the charter, and while there was naturally much confusion in the beginning, I believe that we will soon have a smooth working system that will add to efficiency in our county.

"We were pioneers in charter making, for few counties had tried the charter plan or had gone to the extent we did in reforming government, but everything now tends toward the perfection of the new system.

"I have resided in our beautiful county most of my life and have reared my children here. It is my hope to continue to work for the county which means so much to me.

"I am mindful of the condition of many of our fellow citizens, and have done all I could both as an official and as a citizen to help relieve the condition resulting from unemployment. It is my ambition to continue to help those in distress.

"I am fully cognizant of the tax burden. As it has been in the past, it shall be my most earnest desire to keep the tax situation at the lowest possible rate, consistent with proper government and the needs of the unemployed.

"I most earnestly solicit your support."

Peckham Candidate For Justice Post

Avis W. Peckham, candidate for justice of the peace in the Second (San Mateo) Township, has opened his candidacy for election. The district includes San Carlos and Belmont.

Robert ("Bob") Murphy of San Mateo, well-known in Redwood City, was Peckham's verification deputy. Peckham resides at San Mateo.

Fireworks Banned In Grass, Timber

Use of fireworks in grassy areas or timber lands of San Mateo county will result in prosecution under the state law.

This was the warning today of County Fire Warden Bert L. Werder, who announced that precautions are being taken to avoid fires originating from improper use of fireworks.

FLOOD HOME DISMANTLING IS STARTED

—Three years to build.
—Three months to wreck .

That is the brief epitaph for "Linden Towers," the Atherton mansion erected with the bonanza millions of James Flood, as wreckers are about to begin the three-month task of dismantling the famous peninsula landmark on Middlefield road.

Symon Brothers, San Francisco wrecking firm, put a crew to work Wednesday tearing down the stables and dairy barn, which will take three weeks, and during that time the stripping of the interior of the 42-room mansion will be in progress.

Then will come the dismantling of the old house itself, starting from the high cupola and working downward floor by floor until the job is completed.

Only four buildings will remain intact on the property. Saved from the hammers of the wrecking crew will be the keeper's lodge, the hot house, the garage and the gardeners' quarters.

Skeggs Reports $150,000 Item For Highway

Link Would Speed Up Coast Produce to Markets

Instead of being diverted to other uses, the $73,000 fund for the San Mateo-Half Moon Bay road project has been doubled to $150,000, Col. Frederick Peterson, San Mateo county assemblyman, today notified the board of supervisors.

The need of a better link has long been felt to speed coast produce to markets.

Peterson's information came from Col. John H. Skeggs, district engineer.

Rumors heard by Peterson were to the effect that the $73,000 fund had been diverted because it was inadequate. Skeggs admitted the inadequacy of the funds and declared that was the reason for increasing the amount.

Bids will be called shortly, Skeggs informed Peterson.

Push Coast Project

At the request of Peterson, the board asked District Attorney Edmund Scott to confer with the district attorneys of Santa Cruz and San Francisco counties as to a legal ruling whether or not the Ocean Shore highway district could engage in new condemnation proceedings.

Scott will go to Santa Cruz on the question tomorrow.

Attorney General U. S. Webb, who has been asked for the opinion, will not state his views until the district attorneys have expressed their views.

It is generally held that the district, having once gone through condemnation proceedings, could not again do the same. The state, therefore, has been asked to undertake the securing of the right-of-way.

Moose Lodge Seeks Next Convention For R. C.

Support of local business men, the chamber of commerce and city and county officials is being sought by Redwood City Lodge No. 1112, Loyal Order of Moose, and Women of the Moose, 601, to bring the 1935 convention of the California State Moose Association to Redwood City.

Delegates of the Redwood City lodge and auxiliary will present Redwood City's bid for the 1935 session at the annual conclave in Long Beach August 2-5.

The program for the 1934 convention includes two business sessions, two banquets and initiations with 250 in each class and a variety of entertainment.

Redwood City and Santa Cruz are among bidding cities.

Officers of the local lodge are urging those interested in bringing the conclave here to communicate with Moose headquarters at 310 East 4th street, Long Beach.

Double Plea Entered By Burglary Suspect

Seward Hollingshead, alleged San Mateo "party burglar," entered the dual plea of not guilty and not guilty by reason of insanity to a burglary charge in superior court here late yesterday.

Superior Judge Franklin Swart set his trial for July 11.

P. O. Project Soon to Bids, Latest Report

San Mateo's Request Also Included In List

Redwood City's long-awaited postoffice building project will be placed under contract as rapidly as plans can be prepared, according to an announcement in Washington, D. C., today by Secretary of Treasury Henry Morgenthau Jr., the United Press reported.

San Mateo's proposed postoffice is also reported as among 302 additional projects given approval today.

The local project is among a group of 324 throughout the country which have been authorized to be pushed immediately.

Combined cost of all projects will be $110,000,000.

At the same time, the Redwood City Chamber of Commerce today received a letter from Louis A. Simon, supervising architect of the treasury department, clarifying the revelation made recently that the size of the local postoffice will have to be reduced because of rising costs.

His letter said in part:

"Proposals recently received in this division for projects of a similar character as Redwood City have been in excess of the amount available for construction contract.

"In view of this fact, and also the fact that building costs are constantly increasing with the rising market, the making of revised drawings will be necessitated.

"Negotiations are now in progress to the end that a contract for the construction of the Redwood City project may be made within the funds available for contract.

"You may be assured that this division will make every effort to complete the drawings and advertise the work as soon as possible."

New City Hall Is Menlo Park Council Plan

5-Year Lease of Hayes Building Ordered By Councilmen

Starting August 1 Menlo Park will have a new city hall.

James O'Keefe Jr., city attorney, was instructed last night by the city council to prepare a five-year lease for the two-story building owned by Daniel Hayes of San Francisco on Doyle avenue between Santa Cruz and Menlo streets.

That lease, in accordance with an agreement between Hayes and council members, will include rent at $40 a month for five years, from August 1, 1934, to July 31, 1939, inclusive, with a one year's option to buy the structure for $6500 cash. The option period extends from August 1, 1934, to July 31, 1935.

At present the city is paying $55 a month in rent for the tiny quarters on El Camino Real now occupied by city officers and departments. At a rent of only $5 more each month, as councilmen pointed out last night, the city may acquire in the Hayes building, a structure of much greater comfort and size.

The Hayes structure was built five years ago as a dyeing and cleaning establishment. The building permit issued at that time to Hayes called for construction in the amount of $8500.

Aside from some doubts as to the structure expressed by Councilman W. H. Weeden, considerable enthusiasm was expressed for the plan.

A resolution including the lease agreement will be brought before the council at its next meeting on July 10 for final action.

DR. THOMPSON CITES SUPPORT FOR CHARTER

Seeking re-election on his support of the new San Mateo county charter, Dr. C. V. Thompson, Burlingame and Millbrae spokesman on the board of supervisors, today issued the following statement:

"Four years ago I became the first representative of the new Fifth District, Burlingame and Millbrae, on the board of supervisors. Today, on the basis of those four years of service, I am offering myself as a candidate to continue as the representative of this district.

"Many changes in county governmental affairs have been made during the past four years, which bring new responsibilities to, and demand greater service of a supervisor. In the coming primary election the supervisor assumes new status, in that he becomes not only responsible to his district, but to the county as a whole.

Charter Support Pledged

"The new county charter has brought these changes, and in so doing has advanced San Mateo county from the horse and buggy form of government to a modern one. However, no form of government, no matter how beneficial to the people, can be a success without sympathetic office holders, just as no corporation can succeed without a board of directors interested in its welfare, and the welfare of those who make it possible.

"Since the inception of the charter I have been for it, and the records will show since it became the law of the county it has had no advocate more sincere or more staunch in upholding it. It is fundamentally sound, and can achieve marked efficiency and economy if sympathetically interpreted and applied.

Many Things To Do

"San Mateo county has passed successfully through a hectic year in government and in economics. The ensuing year promises to be less hectic economically, but governmentally there are many things to be done, if the charter is to work the way the thousands who inaugurated it meant that it should work. Mature and sane judgment, a thorough knowledge of conditions and long experience in governmental procedure will be needed to give this county the improved government it requires, and rightfully should have.

"I have been a resident of San Mateo county for many years, and have been intimately associated with its governmental structure. I feel sincerely that I can continue to be of real service, not only to my district, but the county at large, because I know conditions and am widely experienced in county legislative procedure.

Asks Renewed Confidence

"A review of the records will show to the electorate of my district and to the county at large that there has never been a single issue involving the welfare of my district or the county as a whole upon which I have not been right.

"In submitting these facts for your consideration, I ask your continued support and extend to you the assurance that it shall always be my highest ambition to merit your confidence. Your governmental interests and welfare, the constructive development of the county, and the will of the people shall continue to be my first and only consideration as a member of the board of supervisors."

COLLEGE SITE PURCHASE IS REJECTED BY VOTERS

SAN MATEO, June 26.—The proposal to spend $80,000 for the acquisition of a new site for the San Mateo Junior College was decisively defeated by the high school and junior college district's voters at a special election here yesterday.

The margin was 1303 against to 730 votes for.

Burlingame, San Bruno and Millbrae all voted in favor of the change, which it was believed would take the college to a Burlingame site, but San Mateo rolled up a heavy majority against the proposal.

Yesterday's election climaxed several weeks of campaigning in which San Mateo and Burlingame citizens' committees took an active part. Trustees of the school district favored the plan, which would have meant the expenditure of $80,000 of surplus funds.

Results of the voting were as follows:

	Yes	No
San Bruno	55	5
Lomita Park	16	31
Millbrae	48	32
Burlingame	423	239
Hillsborough	36	111
San Mateo	152	884
Total	730	1303

The total vote cast was 2033.

La Honda Road Definitely Put In New Budget

Woodside, Pope Street Items Also Appear To Be Certain

San Mateo county's road department budget for 1934-35 will be brought down to the estimated $230,000 limit in time for presentation before the board of supervisors' meeting next Monday, it was indicated today following a further conference late yesterday between members of the board and County Engineer James S. James.

Definite agreement has not yet been reached by the supervisors upon all the road projects that are to be included in the budget.

One of the difficulties presented is in providing for materials and supervision on projects for which relief labor would be employed, because of the still uncertain status of the amount of relief funds to be available.

The board is reported to have agreed definitely on the first item of new construction, the building and paving of two miles of the Woodruff creek road into La Honda. This would complete an unfinished CWA project.

That the board is looking forward to several construction jobs with relief labor is indicated in the approval given by the supervisors to an $8000 item for a gas shovel. This would be used for the main excavation work necessary, while the relief work crews would trim the edges and handle other necessary jobs.

Purchase of the shovel was asked by Engineer James.

Still retained in the road budget are $7000 for materials for use in the Woodside road culvert project and $4000 for the Pope street bridge in North Palo Alto.

James L. Murphy Dies Suddenly On Trip Away

James L. Murphy, 79, of 218 Oakdale street, died suddenly late Sunday afternon at Ben Lomond while on a visit.

He was a native of Mt. Forest, Ontario, Canada. Mr. Murphy had resided in this community for the past eight years.

He is survived by his widow, Mrs. Frances Murphy; a daughter, Mrs. Anne C. Roehr of Redwood City; four sons, Ray Murphy of Ferndale, Stephen Murphy of Detroit, Mich.; William Murphy of Tacoma, Wash., and Patrick Murphy of San Jose; two sisters, Mrs. Mary Murphy and Rose Murphy; and a brother, Martin Murphy.

Funeral services will be held on Thursday morning at 9:30 o'clock from the Layng & Tiney Funeral Home, thence to Mt. Carmel Church where a requiem mass will be celebrated for the repose of his soul commencing at 11 o'clock. Interment will follow at the Santa Clara Catholic Cemetery.

$116,891 Fund Is Borrowed For Relief Aid

Changes in Personnel Are Aired Before Supervisors

Borrowing of the sum of $116,891 from the state relief bond fund for the use of San Mateo county in relief purposes during 1934-35 was approved by the San Mateo County Board of Supervisors Monday at the request of the San Mateo County Emergency Relief Committee.

The sum will be paid back starting in July, 1937, in 10 yearly installments. Interest will be at the rate of 3¾%.

Chairman C. V. Thompson was authorized to execut the county's note upon motion of Supervisor John Poole, and second of Supervisor Albert Witt.

Protest Relief Changes

The North Fair Oaks Improvement Club, in a communication signed by Ward Tucker, president, protested any plan for drastic changes in the personnel of those handling relief.

Charles Meinert of North Fair Oaks expressed the fear that "hard boiled" social workers might be appointed, and said he feared violence would come to them.

Must Meet Standards

Capt. L. G. McAloney, acting director of relief, and Robert J Koshland, chairman of the relief committee, said that the relief workers must meet certain standards set up by the federal government of the county could secure federal aid.

The federal government will contribute 60% of the relief funds, they pointed out, and these will be jeopardized unless trained social workers are employed.

Certain charges will be made in the relief personnel, Koshland said. Trained invstigators, particularly, will be employed as required, he said.

Supervisor Albert Witt, Colma, pointing out that a change had been made in the Daly City office, said he believed this was "for the best."

San Mateo county persons qualified to handle the relief investigations will be given preference, Koshland said.

Meinert said he was willing to hear an explanation of the requirements for the position and will confer with the relief heads.

Walk Is Appointed As Code Authority

U. Clifford Walk, assistant advertising manager of the Redwood City Tribune, was elected regional manager of the San Mateo County Graphic Arts Code Administration last night at a meeting of the association in San Mateo.

It is the purpose of the graphic arts association to organize the members of the printing trade, to promote fair competition in the printing industry, and to improve conditions of the trade generally.

Mr. Walk's duties are of an executive nature. It is understood that he has been employed by the association to enforce the provisions of the national code in San Mateo county. Operations begin the early part of July.

The petroleum production of Trinidad is steadily increasing.

Menlo Park

At the regular meeting of Menlo Park American Legion Auxiliary Unit No. 443 held in the Legion Hall Tuesday night, Ethel French and Isabelle Lindquist were elected delegates and Marguerite Blanchard and Clarissa Ross were elected alternate delegates to the department convention which will be held in San Francisco in August.

Mrs. Carroll A. Devol Jr., past president of Menlo Park American Legion Auxiliary, was guest of honor at a supper after the meeting. Mrs. Devol returned from almost a year's absence, and was presented with a corsage by the members of the unit at the supper. President Ethel French was also presented with a corsage as a token of appreciation of her toil.

The Rev. and Mrs. Bone are spending their vacation at Lake Tahoe.

Miss Ruth Douglas has returned to her home in Stanford Park from a visit to relatives in Bakersfield.

W. H. Weeden; his daughter, Isabelle Weeden Lindquist, and her children, Billy and Emma Roberta, attended the pageant at San Juan Sunday. They were luncheon guests of their old friend, Mayor Frank Abline, and had the honor of being with Governor Frank Merriam, who is also an old friend.

Mr. and Mrs. Philip Blanchard were in Santa Cruz Sunday for the annual American Legion pilgrimage.

Thomas Kearney and W. H. Weeden attended the peace officers' luncheon which was held in Los Gatos Thursday.

The committee in charge of the 4th of July Picnic and Celebration given in Menlo Park Picnic Grounds under the auspices of Menlo Park Amercian Legion Post No. 443 reports everything is in readiness for a good time. The newly-organized San Mateo County Council American Legion Drum and Bugle Corps will lead the parade which will march around town at 11 a. m. The 40 and 8 Society of San Mateo County has endorsed this picnic and is coming in a body. Many promiment Legionnaires will be present. There will be old-fashioned races for children and adults as well as other competitive sports.

Barbecue dinner will be served beginning at 12:30. The barbecue will be served without extra charge. Children will be half price. Free dancing all day and a big fireworks display and entertainment will finish up the day. Mrs. Devol is in charge of the auxiliary concessions and will have the support of the members in dispensing ice-creams, soft drinks, etc.

Mrs. W. H. Weeden, Isabelle Weeden Lindquist, and Billy and Emma Roberta Lindquist, attended the 30th wedding anniversary dinner of Mrs. Weeden's sister and brother-in-law, Mr. and Mrs. Charles E. Thomas, in Monterey last Thursday. The Thomas family resided on Valparaiso avenue several years ago.

Golden State's Radio Hour Will Feature Morse

What do the characters in radio drama like to eat, if anything? Carlton E. Morse, of NBC, should know, for he both writes and produces "One Man's Family."

And Carlton E. Morse is going to tell all. He is to be interviewed by Joan Andrews on the Menu Flashes program over KPO at 10 a. m. Monday, July 2, and one of the questions Miss Andrews will put to him is What do the Barbours like to eat?

Morse will also disclose some of his own personal eating hobbies, and will tell how he came to originate "One Man's Family."

Redwood City 30 Years Ago

Mrs. George H. Rice and her son, Stanley, left the east on their homeward trip yesterday.

Dr. and Mrs. A. F. Maine will leave next month on a trip to the eastern states. Their objective point will be New York where the doctor will take up some work in one of the leading hospitals and where Mrs. Maine will visit her parents. During their trip they will visit the exposition at St. Louis.

Joseph Wilson, who left here about seven years ago for New York to study seamanship and who served through the Spanish-American War in the United States navy, is visiting Redwood friends. For the past two years he has been in the transport service between San Francisco and Manila. He will remain in Redwood City until after the fourth.

A dramatic club was formed Wednesday night at the home of F. H. Thorpe. After some discussion it was decided to play "Charlie's Aunt" some time in the near future. The play is a high class comedy, and is at present being played in Oakland. The officers of the club are: James Fayen, president; W. A. Shrewsbury, vice-president and stage manager; Albert Mansfield, secretary; Mrs. Robert Brown, treasurer and prompter; Roy Cloud, business manager; Charles Roller, property man, and Carl Plump, musical director.

SORE, INFLAMED SWOLLEN FEET

Go to any good druggist today and get an original bottle of Moone's Emerald Oil.

The very first application will give you relief and a few short treatments will thoroughly convince you that by sticking faithfully to it for a short while your foot troubles will be a thing of the past and best of all, free from all offensive odors.

And one bottle we know will show you beyond all question that you have at last discovered the way to keep your feet in a normal healthy condition free from all pain and soreness.

Political Notes

Dr. Blood Appointed

Dr. John N. Blood, Redwood City physician and World War veteran, today was named chairman of the San Mateo county veterans' Merriam-for-Governor campaign committee.

The appointment of Dr. Blood, active in veterans affairs in San Mateo county and throughout the state for several years, was announced by Thomas M. Foley, chairman of the Northern California Merriam-for-Governor veterans' committee.

Accepting the appointment, Dr. Blood announced he would immediately organize a representative county committee of veterans to work for Governor Merriam's candidacy.

Todd Appoints McNab

Harry L. Todd, former postmaster of San Francisco, announced today that he plans immediately a speaking and organization tour of the counties comprising the first district of the state board of equalization, for which he is a candidate on the Republican ticket at the primaries, August 28.

With a volunteer organization set up in San Francisco, Todd expects to devote a major portion of his time to San Mateo, Santa Clara, San Benito, Monterey, Santa Cruz and San Louis Obispo counties.

John L. McNab, distinguished Californian, wil lbe general chairman of the Todd committee.

Opposes Sales Tax

Coming out definitely for repeal of the state sales tax, Walter Barusch, Democratic candidate for assemblyman from the 29th assembly district (San Mateo county) yesterday launched his campaign in a speech before the Ate-y Club of San Mateo.

"The sales tax is more than a nuisance tax," said Barusch. "It is a burden on the great bulk of the population, and especially the merchants. By increasing the price of all merchandise over 15 cents, it stiffens sales resistance, depreciates profits, causes extra clerical expense, and places the burden on that portion of the public least able to stand it. It is a tax on poverty, not wealth, and is entirely discriminatory."

Barusch is national secretary of the Ate-y Clubs of America. He advocates a tax on surplus wealth and stock transfers, mediums of taxation now proving workable and effective in New York state.

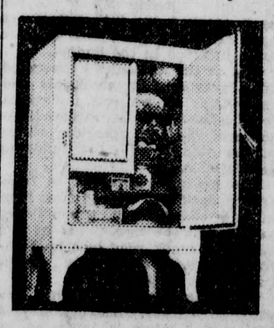
why SMOTHER YOUR FOOD ?

Perishable foods, according to the Department of Agriculture, spoil much more quickly when covered. So why use a refrigerator that *forces* you to smother your foods in covered containers to prevent their drying out?

Think twice and you'll use *ice*. For only *ice* provides the *non-drying* cold that keeps foods fresh and tasty when placed in open dishes.



1934 Ice Refrigerators afford more shelf room and give lower temperatures with less *ice*. Better than the best mechanical substitutes; yet, size for size, they cost only *one fourth* as much. Prices start at $24.50. Easy terms. Liberal allowance on your old ice-box. Ask your *ice* man.

For safe cold . . . plus flavor protection . . use ICE

SAFEWAY AND PIGGLY

LET'S SEE what this Summer Discount Sale of gas heating equipment means. First of all, you save money—a full 10% of total cost of equipment and the installation.

Then you get immediate installation although monthly payments on the equipment and its installation do not begin until October 1.

But you should consider these things, too. You are helping keep men at work—the skilled mechanics of the gas heating trade. You gain through doing this by getting a more workmanlike installation than always possible during the winter heating season rush.

And surely there is great satisfaction in knowing your home is ready for winter with heating equipment that runs itself and burning a fuel that ends all worry and work.

The following examples show how you save by having gas heating installed now:

. . . FOR EXAMPLE . . .

On a Central Warm Air Furnace *You Save* from $20 to $30
On a Steam Heating System . . *You Save* from $30 to $50
On a Floor Furnace . . . . . *You Save* from $9 to $15
On a Radiantfire . . . . . *You Save* from $2 to $8
On a Circulating Heater . . . *You Save* from $3.50 to $7
On a Gas Steam Radiator . . *You Save* from $3 to $5

Special Summer Discount and terms are in effect for a limited time only. Settle your home heating problem at this time and save money.

STAFFORD CANDIDATE

Cole V. Stafford of Redwood City today applied for appointment to the San Mateo County Traffic Patrol in a letter to the supervisors.

Sculptured Angel Will Be Restored

The sculptured angel brought brought from Italy a few years ago and placed in the Costa plot in Holy Cross Cemetery, Menlo Park, is to be restored to the post from which it has been missing for several days.

It was identified at the Menlo Park City Hall today by Mrs. E. D. Costa, of Ebener street, Redwood City. Mrs. Costa said it had been bought for $238 in Italy and brought from that country to California. Its mysterious disappearance, she said, had caused great concern to the family.

In spite of the continued drought, this season's cereal crops in Kenya, South Africa, are almost up to normal yields.

make or have manufactured their own license tags, but requires registration of the cars just the same.

Keep your blood in proper condition and you will never know disease. This is the claim of Charles Fautley, of Cleveland, whose healthful 105 years are testimony to the accurateness of his belief. Fautley's formula for longevity is a secret concoction of roots, herbs and barks.

The Chinese have known for thousands of years the medical properties of herbs. They have studied and classified more than 3000 herbs, rots and barks. You may have the benefit of this research for your health. Consult the eminent herb specialist.
